Dear Corn Republic Parrot Heads:

Thank you so much for your generous gift of \$10,000.00 to Make-A-Wish® of Nebraska. What a successful fundraiser you hosted! The support of friends such as yourself, helps us continue our tradition of granting wishes to children with life-threatening medical conditions.

Your generous donation makes it possible for us to grant wishes to children like 9-year-old Prairie, who was diagnosed with Alveolar Sarcoma, a form of cancer. Prairie's wish was to go on a Disney Cruise and swim with the dolphins. Prairie, along with her parents and her brother had a wonderful time being together without having to worry about doctors or hospitals for a short time.

Wishes are magical experiences that spread hope, strength and joy to wish children and their families and create lasting memories forever. Without your support, we would not be able to provide these types of experiences to so many deserving children and their families, restoring their childhood during the toughest times of their young lives.

Thank you for helping us restore their childhood and make wishes come true!

Sincerely,

A handwritten signature in cursive script that reads "Carrie Fitzke".
